The Sandpiper is a one-design class member
of U.S. Sailing since December 2012.

www.sandpiperclass.org

Our Catboat hulls and side decks are solid fiberglass with an integral centerboard trunk. Foredecks, cabin tops and transoms are reinforced with closed cell foam. White hull is standard, with deck and cockpit color choice of buff, bone, white or gray. Cabin sides on the Marshall 22 and the Sanderling are white. Bottom is painted with two coats anti-fouling paint.
